ABOUT Lanyad Investments

Lanyard Investments pty (Ltd) is a clothing manufacturing company specializing in Company work suits, school uniforms, tunic dresses, aprons,

matric jackets, golf t-shirts, curtains and more. The company began operating as an unlicensed business in 2009, under the leadership of **Austine Scotch Gondwe** till it's formal registration in 2021. With workers with over 10 years of solid experience we now feel we are a force to be reckoned with. We intend to push ourselves to a point where anyone in the world cannot have a conversation about corporate clothing and not include Lanyard Investments.

Vision

The vision we have for ourselves is to be, first, the number one choice of corporate clothing, school and club uniforms in the rest of Africa beginning in the SADC region. Our skill is to be exceeded by no competitor and that is because of the time and effort we have invested in this trade.

Mission

Watching our continent being ravished by poverty and unemployment is just one of the many reasons this company was set up; with that being said our core mission is to establish a company that will solve the youth unemployment, develop talent and business skills related to our industry.

Values

Our beloved Africa, like many other places in the world has been kept back from progress by the plague of corruption; Hence our values are Transparency, Fair pricing and honest business principles to give our young people a model to look up to and show them success is still assured while going about honest dealings.
